CLEMONS REAL ESTATE LLC

Kerry Weems joined Clemons Real Estate in 2020. As a results driven professional she has managed multi million dollar budgets in corporate settings as well as been a successful entrepreneur. Raised in a real estate family, she understands that each transaction is a unique project requiring detailed management and fiscal responsibility. Kerry's strengths lie in strategic planning and collaboration to achieve the goals of your business in the purchase, sale, lease or investment of property.

During her career, Kerry has worked for Harte-Hanks, Inc. as well as Summit R&D Group Inc. where she developed brand and marketing strategies for clients such as Abbott Laboratories, Novartis Pharmaceuticals, Phillips Electronics, and The Salvation Army. She also founded Communix Publishing, LLC and later sold the productive company to New Point Media Inc.
